

WELCOME

We are delighted to invite you to discover our selection of Pinsa romana, a new and distinctive product from the world of pizza.

This combination results in a highly hydrated dough with a long maturation period (over 24 hours), producing a pinsa that is both soft and crisp, and particularly easy to digest.

For the toppings, we use premium Italian products and seasonal vegetables, as far as possible locally sourced and organic.

BUON APPETITO !

Prices include VAT and service;
additional gratuities are at your discretion
